

Center for Autism and Related Disorders Teams with Launch Trampoline Park for An Evening of Fun

Launch RI's VIP Time caters to individuals with autism spectrum disorder and others with special needs.

WARWICK, RI (September 9, 2016) – Center for Autism and Related Disorders (CARD) today announced sponsorship of Launch RI Trampoline Park's VIP Time, a bimonthly event to provide entertainment exclusively to those with special needs, including children affected by autism spectrum disorder (ASD), and their families. VIP Time offers low noise and lighting, a fun and friendly environment, and trained, caring staff members.

VIP Time is held every second Tuesday of the month at Launch RI. Each VIP will pay just \$10 to attend along with a parent or guardian. Siblings of special needs children are also welcome.

"We are so excited to have CARD sponsor our VIP Time on September 13," said Danielle Dunn, director of Sales & Community Outreach for Launch RI. "We appreciate the support and help in spreading the word about this program for RI children with special needs and their families. We are looking forward to it."

CARD Providence staff members will be on hand to provide information and answer questions about CARD and ASD while kids enjoy the fun. The CARD-sponsored VIP Time will be held on Tuesday, September 13, from 6:00-8:00pm at Launch RI's gym, located at 105 Pace Blvd., Warwick, RI. For more information, please call (401) 828-JUMP (5867).

"We're thrilled to partner with Launch RI and help provide families with children with special needs a fun, sensory-friendly experience in a safe and caring environment," said Amanda Moniz, outreach coordinator for CARD Providence.

About Center for Autism and Related Disorders (CARD)

CARD treats individuals of all ages who are diagnosed with autism spectrum disorder (ASD) at treatment centers around the globe. CARD was founded in 1990 by leading autism expert and clinical psychologist Doreen Granpeesheh, PhD, BCBA-D. CARD treats individuals with ASD using the principles of applied behavior analysis (ABA), which is empirically proven to be the most effective method for treating individuals with ASD and recommended by the American Academy of Pediatrics and the US Surgeon General. CARD employs a dedicated team of nearly 2,000 individuals across the nation and internationally. For more information, visit www.centerforautism.com or call (855) 345-2273.

About Launch RI

Launch Trampoline Park is an 18,000 sq. ft. indoor sports and family entertainment facility serving Rhode Island, Massachusetts, and Connecticut. The park is comprised of over 10,000 sq. feet of connected trampolines forming one giant jumping surface and angled trampoline walls to bounce on. Launch Trampoline Park is suitable for all ages and fitness levels. For more information, visit www.launchri.com or call (401) 828-JUMP (5867).
